Scott,

This email is to inform you that our business, Flint Parts Recycling dba Lafayette Recycling, did NOT EXPORT ANY SLAB'S during the 2014 year. It is my understanding that if we did not actually export any slab's during 2014 then we do not have to file the required annual report, instead we simply just have to send in an email stating that we did not export any slab's during 2014 to fulfill our filing requirement with the US EPA.

Please send me an email confirming that this email I am sending to you does in fact fulfill our filing requirement with the US EPA for the year 2014. If this email does not fulfill the filing requirement please let me know exactly what it is I need to do if we DID NOT SHIP ANY SLAB'S during the year 2014.

Thank you.

Christina:

Thank you for the annual report.

Although we accept reports by email, our regulation still requires an original signature.

Please provide a report with an original signature at your earliest convenience. The courier address is:

US Environmental Protection Agency
